

Piscataqua Pioneers

From: Armistead Dennett, History Project

To: Annual Meeting , 27 July 2013

Subject: Report of the history committee

The outline history of the society comprises two text files:

1. A file of one-page biographies of past presidents and founders Fifty-two biographies are complete. A list off members for whom more information is needed, including photographs, will be published in a newsletter. Biographical information on living persons will not be published.
2. A condensed narrative of significant events, including meetings, field trips, publications, and monuments. In-place research of society files now held in the Dimond Library is needed, to disclose details.
